**INFORMATION DISCLOSURE STATEMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. § 1.56, submitted herewith are copies of one (1) reference cited in the enclosed Office Action issued in a corresponding German Patent Application. For the Examiner's convenience, we have enclosed an English translation of the German Office Action from the corresponding German Patent Application and a completed Form PTO-1449.

Although the German Office Action cites a second reference U.S. 5,697,088, Applicants are not including it on the attached Form PTO-1449 as the U.S. reference has been previously cited in an IDS filed on September 23, 2004.

The statement is not a representation that all of the information cited is necessarily effective as prior art against the application.

I hereby state that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than 3 months prior to the filing of this statement, and that this is the first citation of these prior art references by a foreign patent office in a counterpart foreign patent application. Accordingly, no fee is necessary for the filing of this statement. Should the Commissioner determine otherwise, the Commissioner is authorized to charge Deposit Account No. 50-1353 for any fee shortages, including the petition fee under 37 C.F.R. § 1.17(p).

Applicants respectfully request that the disclosed references be made of record in the subject application.

Respectfully submitted,

Date: November 12, 2004
